## Baitimore Money Market.

No change has taken place for some days past in the condition of the money market. There is a good deal of capital seeking investment, and prime paper can be very readily negotiated at 1 @12 p cent. p annum. Capitalists are exceedingly cautious in making loans, and but little of the paper offering on the street comes up to their requirements. Second class paper Eastern Exchange is dull and is unsaleable. We quote New York and Boston funds at 1 to 1, and Philadelphia do. at 1 to 1 p cent, premium.

The press abroad seem well informed as to ing upon the subject. We hope the subjoined tal 59. statement from the New York Journal of Commerce may be correct, and that the public wish, now grown unanimous, for the resumption of specie payments is to be gratified at an early

day. The Journal says :-Since the Providence banks resumed payment (which they did quietly towards the close of last week) the Philadelphia and Baltimore banks have been making movements towards the same result in their own case, and will probably carry it into effect in a few days -Bult.

Fredericksburg Market, January 19. comes in is taken freely at \$100\$105 for red; \$1 05@\$1.10 for white.

LATEST DATES. London Jan 2 Havre Jan 2 Liverpool Jan 2 New Orleans Jan 12

The nomination of Mr. Johnston for the Clerkship of the County Court by an old Citizen, is a move in the right direction. It is a will probably run as follows: difficult matter to find men qualified for the discharge of the duties of so important an office. and 4 20 p. m. Men may be good counting room clerks; may be good accountants, but it is very hard to find men fitted for either the office of Clerk of the County or the Circuit Court. For the proper discharge of the duties of such offices, qualifications of a superior order are requisite. An erfor of ferm may subject parties to great inconlawyer, or by actual experience, must be so which must and will occur with those not similarly circumstanced.

Mr Johnston has served long enough in the office of the Clerk of the County Court of this County, to be entirely familiar with the duties by the Rev. Doctor J. M. Macdonald, Mr. SAM of the office; indeed, I can hardly suppose that | UEL W. BAKER, of New York City, to Miss better qualifications can be found any where for MARY McNAIR, daughter of Dr. J. B. Mc so important a post; I therefore second the nom- Nair, formerly of Alexandria. ination of an old Citizen with great pleasure.

Corporation of Winchester.

IN COMMON COUNCIL, Japuary 14, 1858. George W. Ginn, esq., President of the Common Council, presented the following Preamble and Resolution, which, on motion, were unanimously adopted: Whereas the Town of Winchester is a

stockholder to a large amount in the Valley Turnpike Company; and whereas such subscription was made by the Corporation to afford facilities to the trade of the Valley, and slave. to induce the same to the Town of Winches-Company hath unnecessarily located its Railmiles, to wit, from Fairview to Mount Jackat some points within twenty feet of said Turnpike, so as gratuitously to destroy said Turnpike Road as a highway, and greatly to endanger the lives of persons travelling on Independence. said Turnpike Road-all which is injurious to this Corporat on as a stockholder in said Turnpike Company, and to the trade of the Town, and in violation of the rights of the tuary ("The Young Republican") from Wm. public in using said Turnpike Road as a pub- R. Barbee. lic highway:

Be it, therefore, resolved by the President and Common Council of the Corporation of Winchester, that a committee of three mem- in America, and providing for the enclosure bers of the Council be appointed to inquire thereof. into the aforesaid facts, and take all legal steps that may be proper to have said Ruifroad removed, so as to avoid said evils, or to prosecute judicially said Company for using said Railroad with its steam engines as a continuing nuisance.

Wm. Miller, esq., being in the chair, ap-

Marine Disasters in the Florida Strait. We learn from a Key West letter to the Journal of Commerce that the number of vessels meeting with disasters within that wrecking district during 1857, was 59,-of which nine were totally lost; (three of these were ed, being unworthy of repair; four dismasted in gales of wind, and brought to this port mutinous crew; sixteen leaking and unable to proceed; one leaking, supplied with steam pumps, and proceeded without repairs; nineand paid pilotage or salvage,-and five got ashore, and succeeded in getting atlant without aid; one foundered at sea, and one (steamer) arrived with machinery out of order and needing new boilers.

The value of these ve-sels was \$825,500 and that of their cargoes \$1,837,950. Therepairs of the vessels arriving in distress and the expenses attending those brought in by the wreckers, amounted to \$79.882.35. The sales of damaged cargoes, and condemed materials and stores amounted to \$56,962,51 -The salvage paid by the Admiralty Court was \$99,657,43; the total salvage paid by Court by mutual agreement, and by arbitration amounted to \$101.890,57. The salvages and expenses were \$172,984.44. The classisumption of specie payments, though here on fication of vessels is as follows:-Steamers 1; the spot we are permitted to know little or noth-ships 10; barks 7; brigs 9; schooners 32. To-

The value of property jeopardized last year was nearly four-fold that of 1844, and that of 1856 and 1857, equal to that of the year '44, 5, 6, 7, 8, and 9 together-showing conclusively that the Florida wrecker is still an important assistant to the commerce of the

Difficulties with Paraguay. difficulties with the government of Paraguay, which were referred to in the President's message, has appeared. The facts, as they ap-WHEAT.-Receipts are very light. All that pear, fully justify the President in recommending to Congress some provision of means to enable him to obtain redress from that government for injuries to our citizens, and also for the unwarrantable attack upon the United States steamer Water Witch, in the river Parana. The United States govern-ment undertook, at the urgent solicitation of the Argentine Republic, and for the benefit of the commercial world, to ascertain how far the La Plata and its tributary streams are navigable. The river Parana is the boundary between Paraguay and Corientes. a State of the Argentine Confederation. A Paraguaian fort fired into the Water Witch, killing one man and doing other damage .-The fire was returned, but under great dis-

advantages. The Baltimore and Ohio Railroad Contemplates adding another daily train making five trains each way per day. They
